Dear Mr.

This is in reply to your letter of September 13 regarding your unidentified flying object sighting. Please excuse our delay in replying to your letter; a heavy backlog of correspondence has precluded a prompt reply to your inquiry.

Unfortunately, with the information provided in your letter, we are unable to positively identify what you observed on September 1, 1966. There were no UFO reports from the Lake Champlain area submitted to the Project Blue Book office.

I am inclosing FTD Form 164 which is used in making UFO reports to the Air Force. If you would like to complete this form and resubmit your information, we will then attempt to make an evaluation.

Thank you for your letter; your interest in our program is appreciated.

Sincerely,
